Chapter-3.0 USER FUNCTION

3.1 Hardware and Software Requirements

A. Hardware: -

- Our document kit can be better performed with the help of P3 and above computers with a minimum 10 GB hard disk space.
- For better visual impact of the power point documentation you may keep the setting of colour image at high colour.

B. Software used in Documentation kit

- Documents written in Ms Office 2003 and window XP programs. You are therefore required to have office 2003 or above with window XP

3.2 Features of Documentation kit: -

- Contains all necessary documents as listed above and comply with the requirements of ISO Standards and more than 1000 man days (9000 hours)
- Written in Plain English
- It will save much time in typing and preparation of documents alone.
- User-friendly and easy to learn.
- Developed under the guidance of experienced experts having experience of more than 200 companies ISO implementation globally.
- Provides model of a Management system that is simple and free from excessive paperwork.
